Foreword . . .

The staff of the 1957 ACROPOLIS has attempted to place on the following pages a record of the 1956-57 school year. The record is intended to serve a dual purpose: first, as an instrument for pleasant reminiscing and, second, as another volume in the annals of the Milton Hershey School.

The initial pages of the book are devoted to those who prepare us for the future and to Milton S. Hershey, the founder of our school. It is impossible to tabulate the amount of service rendered by the Mana-

gers, the superintendent, the principals, the faculty, the houseparents, and the many others who care for our physical, mental, and social needs. Such contributions are deeper than mathematics. And, of course, words cannot express our gratefulness to our founder.

As one pages through the book, he will be able to relive this past year, for he is a definite character in the story which is told. The story is your story—1956-57.

John A. Matthias

We dedicate . . .

. . . to Mr. John A. Matthias the ACROPOLIS for 1957. For the past nineteen years, Mr. Matthias has been a member of our vocational faculty. His expert instruction and guidance in the plumbing trade have enabled numerous boys to assume positions of leadership in the building trades and often to achieve that longed-for dream of owning and conducting a

business of their own. Attesting to Mr. Matthias's mastery of his trade and his profession are the many school-built homes in our community in which the plumbing has been so well done and so modern in design and construction. His contribution goes beyond the classroom and shop because he has given more than just his knowledge; he has given of himself, too.

To Milton S. Hershey . . .

... our benefactor and inspiration, we pay tribute. His ever-present motto—Business is a matter of service—could easily have been extended to include all of life in his case. For, while he dealt in a commodity, the world-famous "Hershey Bar," service to mankind in the form of his perpetual monument, the Milton Hershey School for orphan boys, was uppermost in his thoughts. While he lived, his presence on the campus was a common occurrence welcomed by everyone. In his later years, he

characterized the loving grandfather, especially among the little boys at the Memorial School.

His choice of a living philanthropy founded in 1909 afforded him the incomparable pleasure of seeing his wealth work in a constructive, productive manner for the benefit of his fellow man and of knowing that this school would continue in perpetuity in accordance with his Deed of Trust.

MR. WILLIAM H. EARNEST

DR. JOHN O. HERSHEY

Our superintendent . . .

... Dr. John O. Hershey—educator, co-ordinator, friend. In each of these roles Dr. Hershey has proven himself time after time. As an educator, he has taken upon himself the responsibility of seeing that we have a well-rounded education. As a co-ordinator, he has fused the administrative staff, the faculty, and the houseparents into a smoothly-working team which attempts to develop us into educated gentlemen. And, as a friend, Dr. Hershey has endeavored to advise us on the important decisions of life.

To meet our varied educational needs . . .

... our principal, Mr. W. Allen Hammond, our elementary school director, Mr. Wilbert E. Moorehead, and our vocational education director, Mr. Earle H. Markley, work together to integrate these various phases of our school life into a pattern for

success. The success of their endeavors is readily evident in the lives and careers of many of our past graduates and in the fine records of our present student body indicating the future potential which they have developed.

Mr. Markley and Mr. Moorehead look on as Mr. Hammond points out a topic of mutual interest in a current educational journal.

All through the year, help is here . . .

...in the offices of the Social Services Department. Whether that assistance requires the attention of the director, Mrs. Lorna Sylvester, or the assistant in admissions, Miss Barbara Sloane, or the psychologist, Mr. Frank Shupp, or the coun-

selor, Mr. E. Glenn Rogers, the time that is needed will be provided. The various qualifications that the members of this group offer can only suggest the scope of the problems with which a thousand boys can confront them.

Mr. Rogers and Mrs. Sylvester are reviewing a boy's progress in counseling while Miss Sloane and Mr. Shupp discuss the test results of a recent applicant for admission.

Mr. Garner points out several job opportunities in electronics to Gerald Robinson, a senior in the electricity curriculum.

When graduation nears . .

... every senior, regardless of his curriculum, will spend some time and do some planning with Mr. Melvin Garner, the Student Placement Director. For those who have learned a trade, he will help them seek employment in their chosen field. For those who have pursued the college preparatory program, he will help them in choosing a college and in becoming settled therein. For all the graduates, he will offer concrete suggestions on the adjustments they will have to make to meet the demands of their newly-acquired, adult responsibilities.

The men who plan our home life . . .

...are three in number: Mr. Alfred T. Gible, the Director of the Junior Home Division, Mr. Richard A. Rudisill, the Director of the Senior Home Division, and his assistant, Mr. Jacob Klinedinst. While working closely together to provide a wholesome home atmosphere and a healthy and varied recreational program, each

of these men has his own particular responsibilities within the structure. Specifically, Mr. Gible concentrates on the planning for the younger boys, while Mr. Rudisill works with the program of the older boys. It is Mr. Klinedinst's task to concentrate on the disciplinary aspects of the senior group.

Mr. Klinedinst fills in the background on a problem while Mr. Rudisill and Mr. Gible listen.

Our daily needs . . .

...for food, clothing, and shelter are met by the varied organization under the direction of the business office which is headed by Mr. Harry Hartman as business manager and by his assistant, Mr. William Dearden. Perhaps the most descriptive yet concise term for the explanation of the conduct of this operation is the military term **logistics**, for it embraces the transportation, sheltering, and supplying aspects thereof to a degree which is not unlike that of a large military operation.

Reviewing a purchase order are Mr. Hartman and Mr. Dearden.

Dr. Hostetter and Miss Rupp go over the list of boys who have signed the daily register for medical assistance.

Dr. McMullen holds an x-ray while consulting with Dr. Snively on the procedure they will use in attacking a dental problem.

When sickness strikes . . .

. . . a well-staffed medical and dental organization is readily available to come to our assistance. Dr. H. H. Hostetter and his nurse, Miss Elizabeth Rupp, are on hand daily in our new medical clinic on the hill. And, directly across the hall, Drs. E. M. McMullen and David P. Snively are serving our dental needs. While the aforementioned individuals make up our ever-pres-

ent complement of medical and dental personnel, a group of specialists and consultants complete the organization. They are Drs. J. L. Atlee and William Diehl in the medical field, and Dr. Paul M. Dunn, psychiatrist, and Drs. Herbert Cooper and John Cooper and Mrs. Elizabeth Abel in the dental and orthodontic fields.

Mr. Custer jots down an appointment on his desk calendar.

Our liaison . . .

...with other schools throughout the Commonwealth of Pennsylvania is enhanced by the travels of Mr. Grant T. Custer. His personal visits with superintendents, principals, and guidance counselors of the public schools acquaint them with the opportunities available in Milton Hershey School for boys who meet the entrance requirements. Mr. Custer has been well received by all of the schools as he develops friendly relations with those recommending boys for enrollment.

Our Faculty . . .

...Sixty-six strong, are charged with the responsibility of educating our ten hundred boys. This is a responsibility not to be taken lightly, and, while our teachers are all friendly, they also exhibit, in varying degrees, the firmness that is so necessary for the achievement of this responsibility. Attesting to the success of their efforts are

the many alumni who have achieved noteworthy careers in their chosen fields. It is a distinct pleasure for the faculty when, at commencement each year, an "alumnus of the year" is selected whom many can recall with fond memories as one of their boys who, they knew, would make good.

Our behind - the - scenes personnel...

...who are largely responsible for the smooth operation of our school include the secretaries, the custodial staff, and the dining hall staff. The efforts of the secretarial group are quite tangible as they result in bulletins, phone calls, and other per-

sonal services. The custodial work, while just as evident to the observing eye, is often simply taken for granted. But the labors of the dining hall staff are evident daily as we sit down to enjoy our noon meal.

The 1956-57 School Year . . .

. . . a concise review in
words and pictures of the
activities during one year
at Milton Hershey School.

1956 - 57
at
M. H. S.

Getting together on the front steps are James Crowther, Terry Wright, Andrew Getsie, and Hugh Smith.

In past years, the ACROPOLIS has presented as its theme a paralleling situation to which life at Milton Hershey School has been compared. This year, however, the very year of 1956-57 is being used as the theme. As this year progressed, we who progressed with it etched indelible marks onto the records of our school. These marks have been made into the type which printed these pages.

Summer is always an active season on the hill as well as at the farm-homes. The end of school is accompanied by pasture baseball, swimming in nearby streams, weekly visits to Hershey Park, and, of course, the long-awaited vacation at home. A late summer highlight has always been the school picnic with its rides, swimming, contests, and food.

But, as fall draws near, every eye turns to football. Monday-morning quarterbacks were to find themselves out of business when the Spartans turned in an 8-2 record after their victory over Lancaster. And, when it seemed that things were beginning

to come back to normal, Thanksgiving-time approached. Then most of us settled back to await winter after a huge turkey dinner.

With winter came Christmas, another enormous turkey dinner, and the sun. But when the inevitable snow and wind did enter the scene, the winter sports of basketball, wrestling, and swimming were unharmed by their coldness. As winter progressed, the various clubs and organizations of the school were running at full speed; the seniors were awaiting their next dance and counting the days to graduation.

The religious spirit of the school was brought to its peak at Easter when the school family participated in inspirational chapel services. Sports made another change when baseball made its entrance. Final exams were making their appearance as shown by the unusual, hard study. But when the dust had settled, it was June 3. Both those on stage and those in the audience were thinking of the future, only the future.

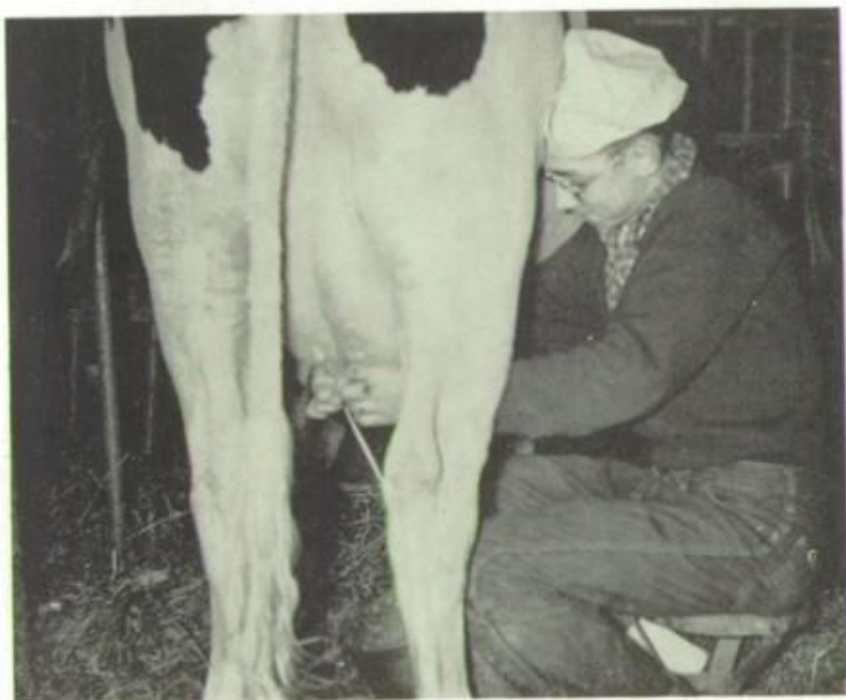

Weekend fun is not complete without a roller-coaster ride.

*We returned
to school
with mixed
emotions . . .*

Bruce Cole, Fred Johnson and Frank McCabe meet in front of the trophy case for a chat before school officially opens.

...when the buses arrived at school for the first time in late August. Most of us headed directly to the auditorium where we learned of the plans for the purchase and installation of an organ. Students and faculty alike were afforded the opportunity to indicate their choice of several instruments at an assembly in the fall. This organ was to be a very important factor in the

Charles Bitter and Steve Wilfing look on admiringly as Mr. Payne prepares an organ program for assembly.

success of the assemblies which were held this year. Another reason for the new interest in assemblies was the creation of a student assembly committee which tackled the task of making all the programs presented profitable.

After the boys were given their home-room assignments and had found their way to them, the school year began. The academic and business students once again returned to the puzzling subjects of mathematics and shorthand, while the vocationals resumed work in their shops. But summer refused to die, and often boys were running around with shirts off while others were satisfied to rest in the shade discussing vacation and baseball.

Football soon entered the scene and, when opening night saw the defeat of Hershey High, the boys had found a new outlet for their energies and talents. And, thus, our exciting, but wonderful school year got off to a fine start.

The executive committee of the Student Senate, (l. to r.) Richard Lewis, Leroy Reale, Robert Yablonski, Gerald Ayres, and Mr. Rudisill, advisor, pause during a meeting to pose for the photographer.

*Our first order
of student business
was to organize
the Student Senate.*

Robert Yablonski was elected president; Gerald Ayres, vice-president; Richard Lewis, secretary; and Leroy Reale, treasurer. The objectives and responsibilities of the Student Senate were presented by Mr. Richard A. Rudisill, advisor, at the initial meeting, and plans were made to achieve this program. Among the projects outlined were the annual sale of Christ-

mas cards and the Easter visit to the Crippled Children's Hospital in Elizabethtown. But, above all, the Student Senate vowed to offer the kind of leadership both as a group and as individual members which would continue to raise the patterns of gentlemanly conduct so much admired by our friends and neighbors.

The Class of 1957 was also organized.

In seeking the student leadership which is so essential to the successful conduct of one's senior year, the hundred and two seniors of the Class of '57 chose boys whose past accomplishments marked them as distinctly qualified for this important task. These boys were Allen Henry as president, Joseph Matisak as vice-president, Gerald Ayres as secretary, and Robert Yablonski as treasurer. The man behind all these boys with the major task of class advisor was Mr. Harold Hacker.

Senior Class President Allen Henry shares a report with Treasurer Robert Yablonski while Vice-President Joseph Matisak, Secretary Gerald Ayres, and Mr. Harold Hacker, advisor, look on.

Gary Daum, in the foreground, adds the finishing touches to a drafting assignment.

Back to the classroom!

With the first few days of school already a part of history, our return to the classroom suddenly became a reality with the onset of homework and the ultimate threat of tests. It was at this point that our leisurely summer revealed itself for what it was, a time of fun and a time of forgetting. Even some of the things we knew so well just a few short months ago seemed

to have taken wings and left us forever. When called upon to tell about our fun-filled summers, we found that even that pleasant experience had lost some of its glitter. Nevertheless, it would only be a short while until the transition from vacation to work would be completed and the routine of the classroom would once again be part of our daily experience.

Kenneth Wilkinson at typewriter number 17 is competing with Ralph Griffith, Wayne Stapf, and Conrad Ihrle in a speed test.

Back to the shop!

Leonard Bell and Charles Cohick take their first crack at overhauling an engine.

Since much of our senior high program is devoted to vocational training, the return to school meant a return to a variety of shops. Many of these shops require considerable dexterity and skill which come through daily practice. The pleasant, restful summer which we had just experienced left us with a certain degree of uncertainty about the quality of those skills which we

thought we had mastered so well during the previous school year. This uncertainty was heightened when the tools of our trades failed to behave in the way in which we were commanding them. However, after a few weeks of concerted effort on our part, we knew that this dexterity and these skills would once again be a part of us.

Budding electrician Robert Askey looks on as Wayland Alexander puts the finishing touches on a sophomore bell wiring project.

*Football was
off with a
bang!*

Robert Yablonski and Gerald Ayres are about to present the Cocoa Bean Trophy to our principal, Mr. Hammond. Mr. Garner, president of the Alumni Association, looks on with pleasure as the Association-sponsored trophy once again returns to MHS.

Leroy Reale sweeps end for a long gain to aid in our victory over Bethlehem.

When the Spartans felt the ground of Hershey Stadium under their feet for the first time this year, they had little idea of the success they would achieve that evening, a success that was to carry on throughout a record-smashing season. The Hershey High Trojans fell by a convincing 32-0 score and with them went their chances of capturing the coveted Cocoa Bean Trophy. The Spartans accepted the trophy and with it the key which opened to them the opportunity of capturing an 8-2 record. This record has surpassed all others in the school's history so far as wins go and brought state-wide recognition to the team.

The Team and The Record

Jim Porach romps in mid-season form for a touchdown against Coatesville.

The Junior Varsity football squad was not to be outdone by their seniors as they went through the regular season without tasting defeat. Under their new coach, Mr. John Pfirmann, the little Spartans posted five wins while fighting to a draw twice. Hershey, William Penn, Lancaster, John Harris, and Reading were the teams to suffer defeat at Brown and Gold hands while Steelton and York eked out ties. The squad, consisting mostly of freshmen and sophomores, scored 115 points to their opponents' 45.

Head down and legs churning, Jim Porach barrels into two Coatesville safety men after a spectacular gain.

*Homecoming
highlighted the
football
season!*

Conducting the annual meeting of the Milton Hershey Alumni Association are Treasurer William Schmehl, President Melvin Garner, Vice-president E. Martin Kuhn, and Secretary Kenneth Hatt.

Mud and rain failed to keep either alumni or students of the school away from Hershey Stadium on Homecoming Day. The Spartans, who had compiled a six and two record by now, were looking forward to meeting a challenging Central Dauphin eleven.

Early in the second quarter, Jim Porach broke away from the Ram forward wall and romped fifty-seven yards to put the Spartans ahead to stay. After additional

touchdowns were tacked on by Gerry Ayres and Leroy Reale, the seventh victory of the season was posted on the MHS record. With the defeat of Lancaster the following week, Porach joined Al Meitzler in capturing the "Player of the Week" Award, and George Klinefelter and Al Meitzler were named to the all-state teams. Porach also received the "Back of the Year" Honors granted by the Harrisburg Old Timers' Club.

Mr. Hess beams happily as he greets recent graduate Ronald Osborne at the Stadium for Homecoming.

Familiar faces . . .

. . . which were once part of our everyday school life appear at Homecoming. Alumni who have moved all over the country once again return to renew the friendships which had temporarily grown cold. The program provided for them, including the football game, a dinner, a Glee Club concert, and a dance, offered many occasions for handshaking and even a few tears.

The Soldiers' Chorus sings in tribute to Milton Hershey. (Photo by U. S. Army).

This social season at Milton Hershey School is exciting and varied with activities roughly divided into two categories. The first category includes senior class activities and the second, those of the entire student body. The senior class has four dances during the year. They are the Halloween dance, the Christmas dance, the Valentine dance, and the Senior Prom.

The junior class has one dance at the end of the year. This provides the future seniors with a taste of what is to come in

M. S. Hershey Day heralded the social season!

the next school year. Each farm-home also has two parties during the year with music being provided by records.

Activities in which the whole student body participates are many. One of the more prominent of these is Milton S. Hershey Day, the day honoring Mr. Hershey's birth, September 13, 1857. On that occasion this year, the Army Field Band presented a concert at the MHS auditorium. Conducted by Major Whiting, the band presented both popular and classical music and marches.

*Our first
senior dance
came at
Halloween.*

Richard Lewis finds chatting and dancing simultaneously a pleasure at the first senior dance.

The M. H. S. Band

Left to Right—First Row: M. Mash, B. Weaver, S. Hyman, R. Iungerich, R. Hyman, J. Mitchell, R. Parks, D. Yost, R. Beyer, C. DeVoe, J. Cundey, P. Smith. Second Row: W. Lehman, P. Minella, C. Ramsey, R. Risch, R. Menser, N. Walker, D. Felty, F. Miller, J. Robaton, G. Reynolds, J. Miller, C. Fridkin. Third Row: R. Stewart, D. Wilson, B. Nettles, W. Kuhns, J. Corson, H. Mercer, D. Mei-key, D. Schaeffer, F. McGough, J. Bellis, R. Wetzel, C. Garman. Fourth Row: D. Faurt, R. Adair, J. Corson, B. Moore, R. Jones, W. Snyder, A. Saylor, G. Rapp, L. Walker, R. Adair, H. Debberthine, R. Souders. Fifth Row: D. Kile, R. Corson, R. Klein, E. Stanczak, D. Miller, L. Walden, W. Curtis, E. Miller, R. May, L. Weaver, L. Wildermuth, M. Boyd. Sixth Row: C. McDonald, R. Ott, E. Gross, R. Graul, J. Verdone, F. Cason, D. Hess, S. Carstater.

Under the direction of Mr. Ray B. Miller, our band has made a very successful showing this year. It played at all of the home and away football games and exhibited some remarkable marching maneuvers during the season.

At the annual competitive parade held in Harrisburg this year, the band had a band front for the first time. Made up of our cheerleaders, this group earned excellent ratings along with the band itself. Other appearances of the band through the year were at Lancaster for a Veterans

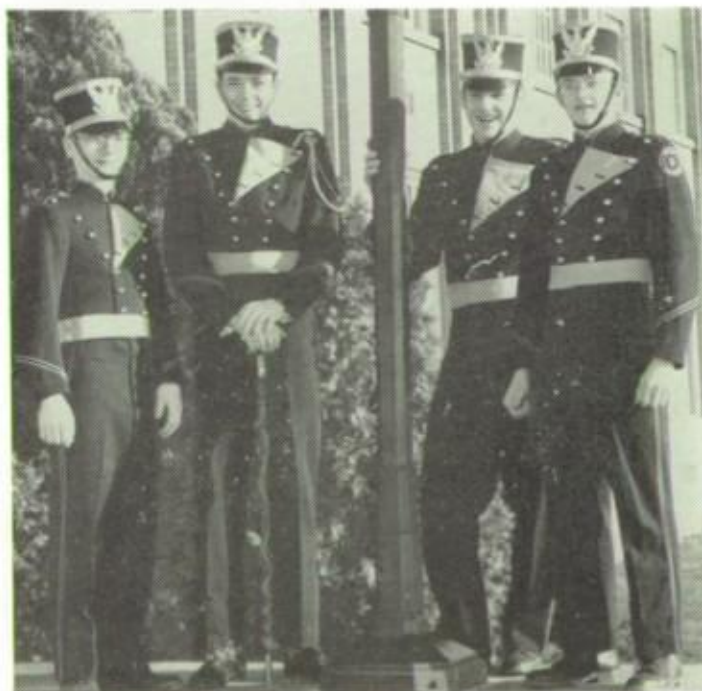

Day parade and at Reading for a Christmas parade.

Two band members, Frank Cason, a clarinetist, and William Curtis, a tuba player, received outstanding recognition when they were included in the all-district band. These same two boys also were invited to participate in a band concert held in Gettysburg, February 7, 8, and 9.

Student guidance for the band was provided by its elected officers who were Joseph Corson, president, William Curtis, vice-president, and William Snyder, secretary and treasurer.

Mr. Miller stresses a point with Frank Cason, Royal Wetzel, and William Curtis.

Band officers posing on the front steps are Joseph Corson, drum major John Pelter, William Curtis, and William Snyder.

Backstage awaiting their cue are Daniel Spigelmyer, William Woods, John Bellis, and Charles McDonald kneeling left to right and Alan Thompson, Gary Thompson, and LeRoy Baker standing left to right. Richard Lewis is pointing out some action on stage.

Mr. Virgil Alexander is at the keyboard as he rehearses Glee Club members (l. to r.) Thomas Bowman, William Curtis, Stewart Carstater, Michael Beltz, Leonard Walden, Richard Camp, and William Lehman.

Our Singing Ambassadors . . .

... the Milton Hershey School Glee Club once again had a most successful year. Under the direction of Mr. Virgil L. Alexander, the group succeeded in preparing a widely varied repertoire consisting of songs from many different faiths, well-known college songs, and some current "pop" tunes.

Concerts were presented at many nearby churches and at several service club meetings. Participation in our Sunday

morning worship services is an almost weekly occurrence. The highlight of Glee Club activities, however, was our annual concert tour which took us to the Scranton-Wilkes-Barre area this spring.

Richard Lewis, president, Fred Johnson, manager, John Bellis, secretary, William Lehman, librarian, and John Pelter, historian, made up the student governing group of the 1956-57 Glee Club. Lamar Wildermuth was the piano accompanist.

Gilotte, J. Mitchell, J. Stuhldreher, J. Vail.

...stemming from the contributions of our choirs added to the fine reverent atmosphere that permeates our Sunday morning worship services. These choirs are two separate and distinct organizations. The Memorial School Choir, under the direction of Miss Lynette Waller is made up of boys ranging from third to fifth grade. This choir has had an active season by contributing their voices to Christmas and

Easter festivities and by singing at several of our Sunday morning worship services throughout the year.

The other choir, under the direction of Mr. Virgil L. Alexander, is the Junior High School Choir. This organization enables its members to develop an appreciation for music and to learn the fundamentals of choral singing.

Composed of approximately seventy boys from sixth through ninth grades, this choir assumed part of the responsibility for a portion of the music for our Sunday morning worship services. Also, combined with other choral groups, this choir provided music for special occasions such as Homecoming, Christmas, and Easter. They also appeared outside the school for civic celebrations and gave a sacred concert in the spring in the community.

Left to Right—**First Row:** D. Kennedy, S. Mann, R. Seyler, R. Goodworth, G. Williams, D. Goodworth, T. Bryson, B. Anello, D. Singer, D. Plaine, R. Fasnacht, W. Confer. **Second Row:** L. Devoe, J. Left to Right—First Row: Peter Smith, William Snyder, Benjamin Weaver, Royal Wetzol. Second Row: Robert Adair, Richard Adair, Stewart Carstater. Mr. Payne is giving the downbeat.

*Enhancing the
social scene
were the
Spartans.*

Once again this year's version of the Spartan Orchestra has provided top-notch dance music at MHS. During the school year, the orchestra had been in constant demand throughout the central Pennsylvania area in addition, of course, to our own requests.

The boys, under the direction of Mr. W. Purnell Payne, have maintained a very fine reputation. Practices occur once a week for the entire group, while additional polish is left to the individual member. The orchestra's repertoire includes a panoramic variety of both former and current popular tunes, special orchestrations, and many "standards."

Membership in the orchestra numbers fifteen. Lamar Wildermuth, keyboard artist, joins Dale Miller on the string bass, Charles Fridkin on the drums, and William Curtis on guitar to comprise the rhythm section. Trumpeters are Royal Wetzol, William Snyder, and Peter Smith. To complete the brass section are trombones Stewart Carstater, Richard Adair, and Robert Adair. Important to the orchestra's popularity and distinction is its saxophone segment. This includes Frank Cason, Harry Mercer, Barrie Nettles, Leonard Walden and Donald Kile.

Left to Right— First Row: Lamar Wildermuth, Frank Cason (standing), Charles Fridkin, William Curtis, Barrie Nettles, Harry Mercer. Second Row: Dale Miller (standing), Donald Kile, Leonard Walden.

*Ghosts and goblins

Fun*

The Halloween spirit is in evidence at an outdoor party at Habana.

Halloween parties marked the first farm-home activities of the year. Indoors or outdoors, there was plenty of fun and excitement for everyone. The traditional foods were available in abundance and nightmares offered a fitting conclusion to this night of revelry.

The first real holiday with time off from

school came at Thanksgiving. This was both a festive and reverent occasion at the farm-home. Thoughts turned to the many blessings which were ours throughout the year and sincere thanks were offered unto God for His kindness. After this period of reverent thanks, our thoughts were suddenly turned by our olfactory sense to . . .

Mrs. Dewey Alt of Borderland finishes carving a turkey and is preparing to fill the serving platters to overflowing with delicious slices.

*turkey and
all the
trimmings.*

Gary Kennedy helps Roy Neuwirth with his soldering while Frank Noroski checks his photographic equipment in their farm hobby room.

*Almost everyone
enjoys
a hobby . . .*

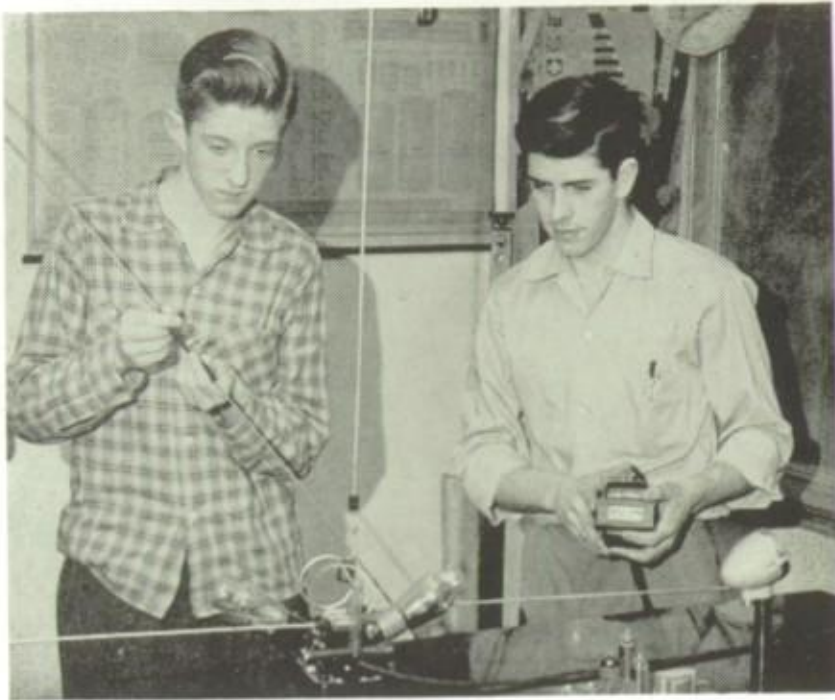

...and there are all kinds available to us. They range from the many varieties of collections and model-building kinds to the creative arts. Much can be gained from participation in a hobby. Latent skills can be developed. Energies can be profitably expended. And, unimagined pleasures can be had.

Furthermore, during Parents Weekend, when we all try to present the best that is in us to those we love, a vast hobby show offers an opportunity for us to display the fruits of our labors for all to see. Prizes are awarded in several different categories and the winners can justly be proud of themselves for having overcome the high quality competition which is always evident.

*Visiting the hobby
shop is fun.*

Mr. Stacks and Thomas McGruddy look on as Richard Way tries to decide upon the model he wants.

John Campbell and Donald Kile work together on an experiment for their project in the Science Club.

*The opportunity
to learn . . .*

... a variety of skills and facts is provided through the club program at MHS. Whether your interest is in the exploratory area of science, or the creative area of photography, or the intellectual area of the library, or the adventurous area of the outdoors, a club can be found to feed that interest. Mr. Bikle's work with the Science Club has borne much fruit in past years in the form of excellent science students. The library has served and been served by the members of Miss King's Library Club. The Photography Club sponsored by Mr. Shuler has provided the opportunity to learn the processing of film as well as the composition of good pictures. The largest club, as one might suspect, is the Trapping Club sponsored by Mr. Brehm. This organization teaches conservation of wild life as well as providing a means of outdoor adventure with a profit.

Library Club members Joseph Seaman and Dale Hess examine some new accessions to our library.

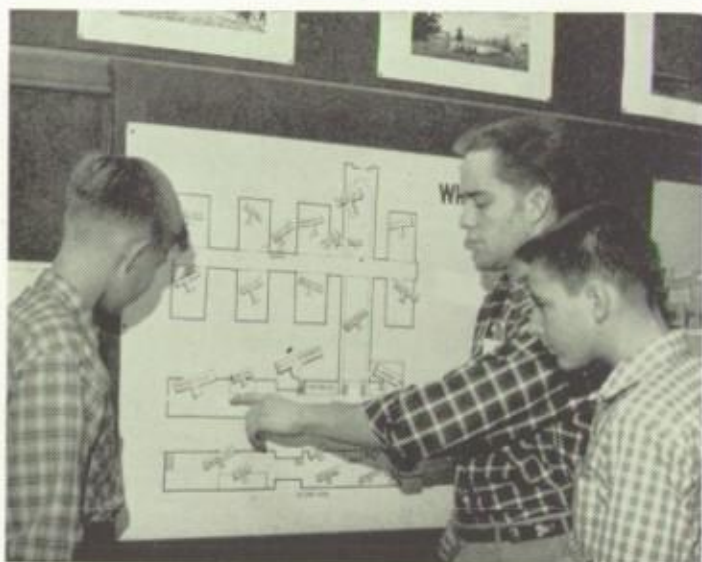

Trapping Club member William Wilds examines a pelt along with Robert Douglas while Mr. Brehm, club sponsor, holds a variety of traps.

The opportunity to serve . . .

Scouts Wade Beck, Dean Ogden, and James Leitzel lower the flag at the end of the day as a part of their service activities.

School guide Russell Conrad points out the location of the dental clinic to Kenneth Whitney and Timothy Thomasson, new boys who are about to embark on a complete tour of the school as part of their orientation program.

Practicing for a "pep" assembly are (left to right) cheerleaders William Ohnmeiss, Adam Wacławski, Charles McKinney, Robert Himes, and Gerald Bigelow.

... is available to any boy who is so inclined. Scouting is provided on two levels — boy scouting and exploring. Troop 75, with fifty-one scouts, is divided into five patrols: the Beavers, Flying Eagles, Lions, Ravens, and Wolves. Post 75 has a complement of eleven explorers. Eighteen scouters in the persons of Messrs. Bikle, Brehm, Douglas, Fisher, Frank, Hess, Hoffman, McCreary, Pratt, Reitz, Rudisill, Shuler, Stambaugh, Strait, Stuckey, Tellet, Timmins, and Yotter operate the program.

Another important area of service is in the guide group. Inasmuch as our school always extends an invitation to visitors to tour our building, a corps of guides must always be on hand to conduct these tours. Courtesy and an understanding of the school program are prerequisites for this service.

A newly-activated cheerleading organization has developed this year and has helped to make our games more exciting and our cheering better organized.

Left to Right—First Row: J. Carville, R. Johnson, M. Ruch, G. Ayres, R. Stebick. Second Row: R. Stewart, D. Murray, C. Ihrie, L. O'Shell, J. Firestone. Third Row: J. Pfirman (Coach), A. Henry, R. Yablonski, J. Porach, R. Griffith.

The Spartans, termed the "dark horse" of the Central Penn race this year by local sportswriters, gave the MHS fans something to cheer about as they posted a 6-2 second half record and made a serious bid for the league championship. Doing better than reversing their 3-5 first-half log, the Spartans, under their new pilot, John Pfirman, became a contender for the crown after downing the big league teams of York, Lebanon, and William Penn.

Playing only five pre-season games this year, the MHS five won three and lost two. Hershey, Annville, and Hummelstown fell under Brown and Gold pressure while Palmyra and Harrisburg Catholic managed to eke out victories. When the Spartans moved into the second half, they captured six consecutive victories and tied Reading for top berth. However, Brown and Gold hopes fell when they lost the final game to the Red Knights on the enemy court.

Coach John Pfirman calls for a new offense in the close John Harris game.

Bob Yablonski is set to pass the ball to Jim Porach in the Hershey High game.

The junior varsity, composed of promising freshmen and sophomores, got off to a fast pre-season start under Carl Stump, their new coach. The Spartans scored decisive victories over Hershey, Hummelstown, Annville, and Harrisburg Catholic, while losing a hard-fought battle to Palmyra in posting an impressive four and one non-league log.

In moving into Central Penn competition the Spartans met unusual height. Dwarfed

Left to Right—First Row: B. Wilinski, R. Morris, S. Campayner, L. Cole, J. Hoeschele, L. Marks, H. Heath. Second Row: H. Worke, R. Askey, R. Hersh, D. Erdman, D. Thompson, R. Heller. Third Row: E. Hallet, T. Shelley, Mr. Stump, J. Anderson, W. Strayer.

by this new factor, the Brown and Golders fell behind their pre-season mark. Scoring their only first-half league victory over the Central Dauphin Rams, they dropped close contests to William Penn, Lancaster, York, John Harris, Reading, Lebanon, and Steelton. In the second half, the Spartans crumpled Lancaster and Central Dauphin, while they sliced off the first-half victory margins of their opponents.

Bob Askey and Dick Hersh knock a rebounded ball out into center court.

John Hoeschele receives ball to set up a favorite J. V. play.

*Christmas lacked
snow this
year . . .*

The Christmas display at the Homestead Area greets visitors to Hershey during the holiday season.

...but the Christmas spirit was better than ever. Throughout the school our classrooms were gaily decorated with seasonal displays, while the library topped all with its huge tree by the fireplace. Our farm-homes and cottages all showed touches of

the inspired decorator's art. And, Applehurst and Long Lane received community recognition in the form of a twenty-dollar prize and an honorable mention respectively from the Hershey Rotary Club.

Arthur Bossler reads from the Scriptures at Sunday morning worship services while Donald Murray and Conrad Ihrie await their opportunity to participate in the service.

Examining Christmas cards are Student Senate members, left to right—Randall Fasnacht, Anthony Campise, John Martin, William Johnson, William Wilkinson, Charles Benshoff, Harold Strand, Thomas McGruddy, Charles Gordon.

*Greetings came
in many
forms.*

The Student Senate provided the card variety through their annual non-profit sale of cards and gift wrapping accessories. Others came in the form of "Do not open 'til Christmas" packages in the daily mail, while still others came in the form of

personal visits during the Christmas season and especially at the Christmas Eve parties at the farm-homes and cottages. A fitting close to our Christmas activities for all of us was the writing of . . .

*a letter of
sincere thanks.*

Raoul Vintere begins a letter of thanks to his folks for his Christmas gifts, one of which he finds most enjoyable in providing music as he writes.

Bigelow, T. Dressler.

For the second year in the sports program of MHS, varsity swimming has made its appearance. John Tellet, coach of the infant sport, introduced his squad into the win column for the first time in school history. The Spartans sank three opponents while losing five hard fought contests. Victims of Brown and Gold power were Hershey High, Reading, and the Harrisburg YMCA.

Swimming against the state-renowned teams of York, Coatesville, and Lancaster, the Spartans met rough waters. But when victory neared, Ron DiMaulo, Ralph Eckert, Ed Ramsey, Tom Dressler, Dave Chase, Robert Mock, Gary Kennedy, and Keith Miller provided the bulk of the power in the specialty of each.

With promising underclassmen experiencing competition this year and a newly-found winning experience, an even better season is on tap next year.

Ronald DiMaulo is about to enter the water at the end of a practice back dive.

At the sound of the gun, Robert Mock and Richard Carville start on their way to aid a team victory over Reading.

Prep School Champion Joseph Matisak demonstrates his exceptional ability in overcoming his Central Dauphin opponent.

Ray Capozucca applies a pinning hold to a league challenger in the first moments of the match.

The 1956-57 edition of the wrestling team continued to carry on the accomplishments of their predecessors as they compiled a very successful, undefeated season. In posting their Central Penn record at eleven victories and one draw, the Spartans boasted three individuals who failed to meet defeat. Joseph Matisak, Fred Johnson, and Wayland Alexander grappled their way into the unbeaten ranks, supplying the team with that additional push when the mat became rough.

Upon entering the Lehigh Prep Tournament after the regular season, coach Andrew Kovach's wrestlers captured second berth, ranking higher than some of the best wrestling-conscious schools in the area. Joe Matisak again led the Spartans as he captured the only Brown and Gold championship, scoring pins against all his foes. Fred Johnson and Richard Norrie fought their way to second places in the tournament, while Ray Capozucca and Jim Klinger gained thirds and Robert Menchey earned a fourth.

The Spartan

Pausing for a picture are the following members of **The Spartan** staff: **First Row:** Richard Ott, Franklin Thomas, John Pelter, and Mr. George Sandel, advisor; **Second Row:** Thomas Bowman, Joseph Corson, Richard Lowright, Dale Hess, and William Snyder.

Our news-magazine, **The Spartan**, is now boasting a circulation of 1700 copies monthly. Its editorial room also proudly displays a first and second place certificate for 1956 and 1955 respectively from the Columbia Scholastic Press Association. Mr. George F. Sandel, advisor, indicates that his ultimate goal is to achieve a medalist rating in these annual contests.

Editor-in-chief of **The Spartan** for 1956-57 was Thomas Bowman. His associate editors included Dale Hess, feature editor; Franklin Thomas, literary editor; LeRoy Baker, sports; Robert Himes, layout; John Pelter, alumni; Richard Ott, exchange; and John Menser, humor. Doing the leg work

as reporters were Donald Broughton, Joseph Corson, Reid Henderson, Richard Lowright, John McCabe, Charles McDonald, John Robaton, Joseph Seaman, Richard Smith, William Snyder, and Lamar Wildermuth. Business students, Charles Confer and Richard Duignan, did the typing, while James Carville and Paul Hansen took care of the circulation chores. Thomas McGruddy provided the cartoons.

In addition to Mr. Sandel, the following adults assume advisory responsibilities: Mr. Merl Stuckey and Mr. Earle L. Stahle, printing; Mrs. Doris Bitting, circulation; and Miss Mary Ream, subscriptions.

Other members of **The Spartan** staff are: **First Row:** Lamar Wildermuth, John McCabe, John Robaton, Joseph Seaman. **Second Row:** John Menser, Richard Smith, Robert Himes, Reid Henderson, LeRoy Baker, and Charles McDonald.

Mr. William Hoffman outlines plans for the **Acropolis** staff members Richard Lewis, LeRoy Baker, Richard Lowright, and John Atella who are seated left to right in the first row and Edward Stanczak, Thomas McGruddy, and Frank Noroski standing left to right in the second row.

Each year, the choosing of a theme and the development of that idea into a finished book become a more exciting and exacting project than it was the year before. Mr. William E. Hoffman, advisor, constantly seeks to improve and vary the pictorial and written materials that go to make up this annual school record. To help him in his task this year were co-editors, LeRoy Baker and Richard Lewis. Baker, an academic, was responsible for the overall editorial preparation, while Lewis, a printer, did the technical work entailed in preparing a dummy and setting up the press-work.

Writing the many articles were Jules

The Acropolis

Bosch, Raymond Capozucca, Charles Eyer, William Lehman, Richard Lowright, Thomas Newman, John Pelter, Edward Ramsey, and Jere Verdone. Involved in the production phase were Frank Noroski, Thomas McGruddy, and Edward Stanczak. John Atella and Richard Ott were the typists.

Serving in advisory and supervisory capacities in addition to Mr. Hoffman were Mr. Merl Stuckey and Mr. Earle L. Stahle, printing; Mr. Clyde P. Stacks, art and layout; Mr. Grant T. Custer and Mr. Thomas N. McCreary, photography; and Dr. John O. Hershey, Mr. W. Allen Hammond, and Mr. Earle H. Markley, administration.

Other **Acropolis** staff members are: **First Row:** Jules Bosch, Jere Verdone, Charles Eyer, and John Pelter. **Second Row:** Richard Ott, Edward Ramsey, William Lehman, Thomas Newman, and Raymond Capozucca.

	16	Lancaster
	21	William Penn
	23	York

As spring drew near and the end of school approached, the stage was set for the final sport on the hill, baseball. A promising year was in store as shown by the experienced players returning from last season. Bob Yablonski, Allen Henry, James Firestone, and Gary Daum returned to the mound as Russell Conrad, Martin Ruch, and Robert Askey offered aid as receivers. The infield was kept alive with veterans Wilmer Good, Leroy Reale, Robert Johnson, Ronald Stewart, James Klinger, and Robert Reed. James Porach, Gerald Ayres, Ronald Stebick, and Robert Morris did the bulk of the outfield play.

Pitcher Allen Henry dives back to first base to stop an attempted double play by the Lebanon squad.

Our little fellows . . .

Pointing to the heart on his health chart is Harry Chalmers while Philip Huff and Dohren Jones look on with interest.

...at Memorial School pursue a varied educational program in grades kindergarten through fifth. The acquisition of the fundamentals, the tool subjects, takes up a major portion of their time, but there is still time left for other activities such as

arts and crafts, music, and physical education. A portion of their program is reserved for emphasizing the health and safety measures so important in the group-living situation in which these boys participate.

Memorial School boys having a wonderful time swimming include Bobby Nelson in the foreground and Oliver Brandt shouting in the background.

James Leitzel and Steve Lazarus watch Robert Heller operate a saw in the industrial arts shop.

The Junior High Years

...are difficult in many ways. Academically, the class load is increasing in quantity and quality. Socially, increased privileges add opportunities and responsibilities for meeting and dealing with new situations.

And, physically, rapid growth can be somewhat frightening. Added to all this is the pressing problem of deciding upon a vocational objective somewhere along the way in the ninth grade year.

Clair Shawver and Gary Schaffer use the globe as well as their textbook map to locate a South American country for their sixth grade geography class.

MOTTO
*If what you did yesterday still looks good; then you haven't
done enough today.*

CLASS SONG · 1957
LAMAR WILDERMUTH

1. All praise and honor be to you our Mil-ton Her-shey School, For
2. men we stand to face this world to seek new em-i-nence, for

constant friend-ship through the years and ev-er guid-ing rule. May
you, our school, have built in us a stal-wart con-fi-dence. The

all our con-tri-bu-tions re-main and be re-newed, by
mem-o-ries of past days will of-ten re-ap-pear. And

those who fol-low af-ter us in deep-est grat-i-tude. As
we will cher-ish in our hearts the life which we knew here.

*There were
happy days . . .*

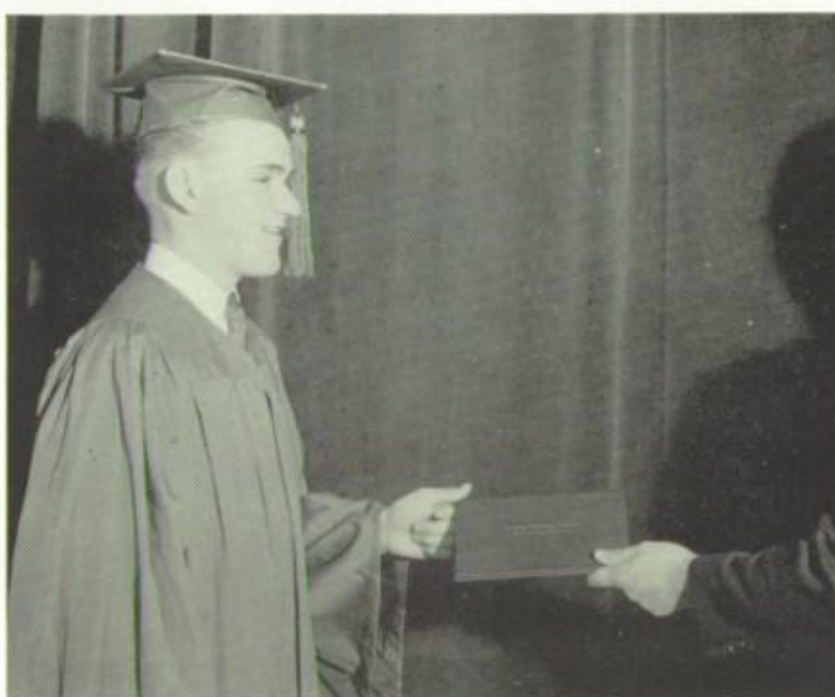

Edward Stanczak seems thoroughly captivated by his date's comments at a senior party.

Sweating out a final examination in English are Robert Watenpool, Charles Confer, and George Watson.

*. . . difficult
days . . .*

*. . . and memorable
days in this
1956 - 57 year.*

LeRoy Baker happily receives his diploma at commencement exercises.

In Memoriam . . .

P. A. STAPLES

"Every man's work shall be made manifest."
(I Corinthians 3:13)

BENJAMIN F. OLENA

"The better part of a man's life consists of
his friendships." (Anonymous)

P. N. HERSHEY

"His life was gentle, and the elements
So mix'd in him that Nature might stand up,
And say to all the world 'This was a man!'"
(Shakespeare)
